# *Hello!* I'm Anuragh Addala

Adobe certified professional, creative, and enthusiastic postgraduate student with three years of experience as a graphic designer and video editor. Currently pursuing my master's in Computer Animation at Kingston University, London. I am well versed with design language, colour theory and corporate standards and an ambitious learner with a continuous zeal to upgrade myself with the industry demands and trends with a knack to work well under any circumstances to meet the deadlines and give my best.
